ANNUAL REPORT
OF THE
Board of Education,
OF THE
TOWN OF HAMPSTEAD.

To the Citizens of Hampstead:

In accordance with the Laws of the State of New Hampshire, the Board of Education respectfully submit the following as their report of the several schools in the town for the past year.

Schools.	Teachers.
District No. 1,	Lillie E. Noyes,
" " 2,	Abbie P. Hazelton,
" " 3,	{ Mary Etta Fitts, Mary L. Emerson,
" " 3,	
" " 4,	E. Lillian Colby,
" " 5,	Annie B. Fitts,
" " 6,	Frances S. Buzzel,
" " 7,	Emma Pearson.

The schools the past year have been, as a whole, satisfactory to the Board of Education, and from the requests which we have had

from parents in the several districts to have the same teachers engaged for the next year, we feel that they have given satisfaction to all parties interested. Owing to the removal of disturbing elements from some of the schools, we believe they stand better than at the close of a year ago, with a chance for more improvement during the coming year.

There has been but one change in the teachers the past year, which was unavoidable. The visit of "la grippe" to this town caused quite a falling off in the average attendance, during the last term, one-half of the scholars being absent from some of the schools when visited by the committee at the middle of the term. As will be seen by the report, there were four weeks more schooling the past year than the preceding year, yet not as many weeks as in former years.

We are pleased to report that five hundred and twenty-five persons visited the schools during the year and we hope the number will continue increasing.

The law by which the town will have to furnish all books and supplies for the schools came into effect the first day of January, our schools were so near the close of the year that the Board thought the changes necessary had better be postponed until the commencement of the next school year, April 1. We wish to call your attention to the school-house in district No. 3, which must be shingled and otherwise repaired before being occupied again, also small repairs upon one or two other houses.

ANDREW M. MOULTON, } Board
JAMES H. EMERSON, } of
JOHN F. McCOLLISTER, } Education.

REPORT OF TRUSTEES
OF THE
Public Library.

Our report this year must of course be short as we have had no authority to expend any money. One year from the opening of the library to the public we called all the books in and made an inventory of the same. We found all the books in the library. We find there are between forty and fifty books which must be rebound before being used again, and as many more needing to be recovered, all of which we have laid aside waiting for funds for repairing the same.

We would suggest that the town should appropriate a sum of money each year to be expended by the trustees for running expenses, repairs on books, and purchasing new books, magazines etc.

We would also repeat the recommendation of the last board of trustees. That the Board of Trustees should consist of three members who shall be elected for one, two and three years respectively, and that at each annual meeting thereafter one trustee be elected for the full term of three years.

Whole number of books taken out during the year, 7232; number of persons who have taken out books, 439.
